

Xbrane Biopharma is searching for an accountant

Xbrane Biopharma is searching for a full-time accountant alternatively part time of at least 75%, the person will work closely with accounting manager and Group Controller. The position is suitable for those who have experience in accounting and like the flexibility and varied tasks that comes in working in smaller companies.

Om Xbrane Biopharma:

Xbrane Biopharma AB is a biotechnology company which develops and manufactures biosimilars. Xbrane has a patented protein production platform and world-leading expertise within biosimilar development. Xbrane's headquarter is in Solna, just outside of Stockholm, and the company has research and development facilities in Sweden and in Italy. Xbrane has been listed on Nasdaq First North. For more information visit www.xbrane.com.

The position:

The accountant will manage the ongoing accounting, account payables, VAT-handling, payroll administration and be involved in month-end/ year-end closing procedures. The accountant will also support CEO and CFO in various administrative tasks. The finance departments consist of four persons in Sweden including Accounting manager, Group Controller and CFO. The accountant will work closely with and report to the accounting manager.

Your Profile:

- A relevant education with a specialization in accounting or similar.
- Have experience in similar financial positions.
- Meritorious if you have experience from Fortnox
- Have good knowledge in Microsoft Office.
- Have a good ability to express yourself in speech and writing in both Swedish and English.
- Is responsible, flexible and structured.
